Details of service	St Raphael's Service is an adult Intellectual Disability Service situated in East Cork

	It currently caters for circa 80 adults with an ID and / or Autism. The service has a base in Youghal and has a number of Community Houses in the surrounding environment of West Waterford and East Cork. The aim of our services for people with an ID and physical or sensory disabilities is to promote and maintain better health both in the person with a disability and their carer. We deliver day and residential services. This is a service, which has undergone significant changes in line with National Policy and has progressed from an institutional model of care to a community based person-centred model.
Reporting relationship	The person appointed shall report to the Clinical Nurse Manager 1 or designated Officer. Responsible to Clinical Nurse Manager 3 / PIC and the Director of Services or designated Officer.
Key working relationships	The staff nurse post is a key role in the delivery of services to the clients we support, the post holder will report to a Clinical Nurse Management team in each of the areas, who in turn report to the Director of Service.
Purpose of the post	The role of the Staff Nurse Intellectual Disability (ID) is to provide holistic, person-centred nursing care, promoting optimum independence and enhancing the quality of life for service users with intellectual, physical or sensory disability in all aspects of daily living. The staff Nurse ID may be expected to take responsibility for a unit or community facility in the absence of the Clinical Nurse Manager. The Staff Nurse (ID) must practice in accordance with the Code of Professional Conduct as set out by the Nursing & Midwifery Board of Ireland (NMBI) and within the policies, guidelines, protocols of the units / settings in which they are employed.
Principal duties and responsibilities	The Staff Nurse (Intellectual Disability) will: <u>Professional Responsibilities</u> - Practice Nursing according to the Code of Professional Conduct as laid down by Bord Altranais agus Cnáimhseachais na hÉireann (Nursing and Midwifery Board of Ireland) and Professional Clinical Guidelines. - Adhere to national, regional and local Health Service Executive (HSE) guidelines, policies, protocols and legislation. - Work within their scope of practice and take measures to develop and maintain the competence necessary for professional practice. - Maintain a high standard of professional behaviour and be accountable for their practice. - Be aware of ethical policies and procedures which pertain to their area of practice. - Respect and maintain the privacy, dignity and confidentiality of the patient. - Follow appropriate lines of authority within the nurse management structure. <u>Clinical Practice</u> - Deliver the nursing care of an assigned group of patients within a best practice / evidence based framework. - Manage a designated caseload. - Promote the health, welfare and social wellbeing of patients within our services.

- Work in accordance with the principles and values of recovery as described in the National Framework for Recovery for Irish Mental Health Services 2018-2020.
- Actively participate as a multi-disciplinary / inter-disciplinary team member in all aspects of service delivery including case conferences, clinical meetings, team meetings.
- Assess, plan, implement and evaluate individual person centred care programmes within an agreed framework and in accordance with best practice.
- Develop and promote good interpersonal relationships with patients, their families / social network supports and the interdisciplinary care team, in the promotion of person centred care.
- Ensure that care is carried out in an empathetic and ethical manner and that the dignity and spiritual needs of the patient are respected.
- Promote and recognise the patients' social and cultural dimensions of care and the need for links with their local community.
- Collaborate and work closely with the patient, their family, the multi-disciplinary / interdisciplinary team, external agencies and services to facilitate discharge planning, continuity of care and specific care requirements.
- Provide appropriate and timely education and information to the patient, their family and be an advocate for the individual patient and for their family.
- Report and consult with senior nursing management on clinical issues, as appropriate.
- Maintain appropriate and accurate written and electronic nursing records and reports regarding patient care in accordance with local / national / professional guidelines.
- Participate in innovation and change in the approach to patient care delivery particularly in relation to new research findings, evidence based practice and advances in treatment.
- Participate in clinical audit and review.
- Participate in community needs assessment and ongoing community delivery of care as appropriate.
- Undertake Key Worker role as appropriate.
- Promote a positive health concept with patients and colleagues and contribute to health promotion and disease prevention initiatives of the Health Service Executive.
- Delegate to and supervise the work of other grades of staff within the remit of their role, as appropriate.
- Demonstrate flexibility by rotating / assisting in other units / care settings as required in order to meet nursing resource needs and the requirements of the integrated services programme (ISP).
- Refer clients to other services, as required.

Clinical Governance

- Participate in clinical governance structures within the local / regional / national clinical governance framework.
- Contribute to ongoing monitoring, audit and evaluation of the service, as appropriate.
- Accurately record and report all complaints to appropriate personnel according to local service policy.
- Participate in the development of policies / procedures and guidelines to support compliance with current legal requirements, where existing, for the safe storage and administration of medicines and other clinical products.

- Participate in the development of policies / procedures and guidelines with health, safety, fire, risk and management personnel and participate in their development in conjunction with relevant staff and in compliance with statutory obligations.
- Observe, report and take appropriate action on any matter which may be detrimental to patient care or wellbeing.
- Be aware of, and comply with, the principles of clinical governance including quality, risk and health and safety and be individually responsible for clinical governance, risk management / health and safety issues in their area of work.
- Adequately identify, assess, manage and monitor risk within their area of responsibility.
- Participate in the development, promotion and implementation of infection prevention and control guidelines.
- Adhere to organisational dress code.
- Assume responsibility for and coordinate the management of the unit / care setting in the absence of the Clinical Nurse Manager.

Education, Training & Development

- Take responsibility for own competency and learning and development needs and actively contribute to the learning and development of the interdisciplinary team.
- Complete all mandatory training as deemed necessary by the Director of Nursing and Bord Altranais agus Cnáimhseachais na hÉireann (Nursing and Midwifery Board of Ireland).
- Participate in performance evaluation / review with their line manager, identifying areas for improvement and appropriate plans / measures to achieve them.
- Provide feedback to the Clinical Nurse Manager or the designated officer with regard to compilation of proficiency assessments for students in the clinical setting.
- Develop and use reflective practice techniques to inform and guide practice as part of their daily work.
- Identify and contribute to the continual enhancement of learning opportunities within a population health framework.
- Participate in the clinical / workplace induction of all new nursing and support staff.
- Contribute to the identification of training needs pertinent to the clinical area.
- Develop teaching skills and participate in the planning and implementation of orientation, training and teaching programmes for nursing students and other health-care staff, as appropriate.
- Having undergone appropriate training, act as a mentor / preceptor or clinical assessor for students.
- Participate in the development of performance indicators in conjunction with the Clinical Nurse Manager.
- Participate in innovation and change in the approach to service user care delivery, and contribute to the service planning process based on best practice and under the direction of Nurse Management / Nurse Practice Development, particularly in relation to new research findings and advances in treatment.

Health & Safety

- Have a working knowledge of the Health Information and Quality Authority (HIQA) Standards as they apply to the role for example, Standards for Healthcare, National Standards for the Prevention and Control of Healthcare

	Associated Infections, Hygiene Standards etc. and comply with associated HSE protocols for implementing and maintaining these standards as appropriate to the role. • Support, promote and actively participate in sustainable energy, water and waste initiatives to create a more sustainable, low carbon and efficient health service. <u>Administration</u> • Ensure that records are safeguarded and managed as per HSE / local policy and in accordance with relevant legislation. • Work closely with colleagues across the integrated services programme in order to provide a seamless service delivery to the client within the integrated services programme. • Maintain records and submit activity data / furnish appropriate reports to the Director of Nursing, as required. • Contribute to policy development and formulation, performance monitoring, business planning and budgetary control. • Maintain professional standards including patient and data confidentiality. • Contribute to the development and implementation of information sharing protocols, audit systems, referral pathways, individual care plans and shared care arrangements. • Contribute to ongoing monitoring, audit and evaluation of the service, as appropriate • Ensure that the care setting is maintained in good order using appropriate models, that supplies are adequate and that all equipment is in good working order and ready for immediate use. • Ensure that equipment is safe to use and report any malfunctions in a timely manner. • Assist with ordering of supplies as required and ensure the appropriate and efficient use of supplies is made and exercise economy in the use of consumables. The above Job Specification is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him / her from time to time and to contribute to the development of the post while in office.

Campaign specific selection process Ranking/shortlisting / interview	A ranking and or shortlisting exercise may be carried out based on information supplied in your application form. The criteria for ranking and or shortlisting are based on the requirements of the post as outlined in the eligibility criteria and skills, competencies and/or knowledge section of this job specification. Therefore, it is very important that you think about your experience in light of those requirements. Failure to include information regarding these requirements may result in you not progressing to the next stage of the selection process. Those successful at the ranking stage of this process, where applied, will be placed on an order of merit and will be called to interview in 'bands' depending on the service needs of the organisation.
Diversity, equality and inclusion	The HSE is an equal opportunities employer. Employees of the HSE bring a range of skills, talents, diverse thinking and experience to the organisation. The HSE believes passionately that employing a diverse workforce is central to its success – we aim to develop the workforce of the HSE so that it reflects the diversity of HSE service users and to strengthen it through accommodating and valuing different perspectives. Ultimately this will result in improved service user and employee experience. The HSE is committed to creating a positive working environment whereby all employees inclusive of age, civil status, disability, ethnicity and race, family status, gender, membership of the Traveller community, religion and sexual orientation are respected, valued and can reach their full potential. The HSE aims to achieve this through development of an organisational culture where injustice, bias and discrimination are not tolerated. The HSE welcomes people with diverse backgrounds and offers a range of supports and resources to staff, such as those who require a reasonable accommodation at work because of a disability or long-term health condition. Read more about the HSE's commitment to Diversity, Equality and Inclusion
Code of practice	The Health Service Executive will run this campaign in compliance with the Code of Practice prepared by the Commission for Public Service Appointments (CPSA). The CPSA is responsible for establishing the principles to be followed when making an appointment. These are set out in the CPSA Code of Practice. The Code outlines the standards to be adhered to at each stage of the selection

	process and sets out the review and appeal mechanisms open to candidates should they be unhappy with a selection process. Read the CPSA Code of Practice.
The reform programme outlined for the health services may impact on this role, and as structures change the job specification may be reviewed. This job specification is a guide to the general range of duties assigned to the post holder. It is intended to be neither definitive nor restrictive and is subject to periodic review with the employee concerned.	

Staff Nurse – Intellectual Disability (Altra Foirne — Míchumas Intleachtúil)
Disability Services
HSE South West (FSS an Iardheiscirt)
Terms and conditions of employment

Tenure	The current vacancies available are permanent/temporary and whole time. The post is pensionable. A panel may be created from which permanent and specified purpose vacancies of full or part time duration may be filled. The tenure of these posts will be indicated at “expression of interest” stage. Appointment as an employee of the Health Service Executive is governed by the Health Act 2004, the Public Service Management (Recruitment and Appointments) Act 2004, and Public Service Management (Recruitment and Appointments) Amendment Act 2013.
Working week	The standard weekly working hours of attendance for your grade are 37.5 hours per week. Your normal weekly working hours are 37.5 hours. Contracted hours that are less than the standard weekly working hours for your grade will be paid pro rata to the full time equivalent.
Annual leave	The annual leave associated with the post will be confirmed at Contracting stage.
Superannuation	This is a pensionable position with the HSE. The successful candidate will upon appointment become a member of the appropriate pension scheme. Pension scheme membership will be notified within the contract of employment. Members of pre-existing pension schemes who transferred to the HSE on the 01st January 2005 pursuant to Section 60 of the Health Act 2004 are entitled to superannuation benefit terms under the HSE Scheme which are no less favourable to those which they were entitled to at 31st December 2004
Age	The Public Service Superannuation (Age of Retirement) Act, 2018* set 70 years as the compulsory retirement age for public servants. * Public Servants not affected by this legislation: Public servants joining the public service or re-joining the public service with a 26-week break in service, between 1 April 2004 and 31 December 2012 (new entrants) have no compulsory retirement age. Public servants, joining the public service or re-joining the public service after a 26 week break, after 1 January 2013 are members of the Single Pension Scheme and have a compulsory retirement age of 70.
Probation	Every appointment of a person who is not already a permanent officer of the Health Service Executive or of a Local Authority shall be subject to a probationary period of 12 months as stipulated in the Department of Health Circular No.10/71.
Protection of children guidance and legislation	The welfare and protection of children is the responsibility of all HSE staff. You must be aware of and understand your specific responsibilities under the Children First Act 2015, the Protections for Persons Reporting Child Abuse Act 1998 in accordance with Section 2, Children First National Guidance and other relevant child safeguarding legislation and policies. Some staff have additional responsibilities such as Line Managers, Designated Officers and Mandated Persons.

	In the HSE, all Mandated Persons under the Children First Act 2015 are appointed as Designated Officers under the Protections for Persons Reporting Child Abuse Act 1998. You should check Schedule 2 of the Children First Act 2015 to see if you are a Mandated Person, and therefore a HSE Designated Officer, and be familiar with the related roles and legal responsibilities. Visit HSE Children First for further information, guidance and resources.
Infection control	Have a working knowledge of Health Information and Quality Authority (HIQA) Standards as they apply to the role for example, Standards for Healthcare, National Standards for the Prevention and Control of Healthcare Associated Infections, Hygiene Standards etc. and comply with associated HSE protocols for implementing and maintaining these standards as appropriate to the role.
Health & safety	It is the responsibility of line managers to ensure that the management of safety, health and welfare is successfully integrated into all activities undertaken within their area of responsibility, so far as is reasonably practicable. Line managers are named and roles and responsibilities detailed in the relevant Site Specific Safety Statement (SSSS). Key responsibilities include: • Developing a SSSS for the department/service¹, as applicable, based on the identification of hazards and the assessment of risks, and reviewing/updating same on a regular basis (at least annually) and in the event of any significant change in the work activity or place of work. • Ensuring that Occupational Safety and Health (OSH) is integrated into day-to-day business, providing Systems Of Work (SOW) that are planned, organised, performed, maintained, and revised as appropriate, and ensuring that all safety related records are maintained and available for inspection. • Consulting and communicating with staff and safety representatives on OSH matters. • Ensuring a training need assessment (TNA) is undertaken for employees, facilitating their attendance at statutory OSH training, and ensuring records are maintained for each employee. • Ensuring that all incidents occurring within the relevant department/service are managed appropriately and investigated in accordance with HSE procedures². • Seeking advice from health and safety professionals through the National Health and Safety Function Helpdesk as appropriate. • Reviewing the health and safety performance of the ward/department/service and staff through, respectively, local audit and performance achievement meetings for example. Note: Detailed roles and responsibilities of Line Managers are outlined in local SSSS.

¹A template SSSS and guidelines are available on [writing your site or service safety statement](#).

²Structures and processes for effective [incident management](#) and review of incidents.
