Candidates on existing panels

If you are currently on a Panel for this role you will have received a separate communication by email.

If you are not currently on a Panel for this role, the below information is not relevant or applicable to you.

If the panel you are on is due to expire, and you want to be considered for future opportunities, you can apply for this new supplementary campaign.

If the panel you are on is not expiring, it will take priority over the supplementary panel formed after this new campaign while it is in existence. Panels formed by the Recruitment Team will remain in place for at least 12 months, with the option to extend up to a maximum period of 3 years, according to service need.

If the panel you are on is due to remain and you wish to apply for the new supplementary campaign, you can choose to remove yourself from the existing panel and re-apply for the new campaign. To remove yourself from the existing panel, email your request to the HR contact listed on the job specification before the closing date of the supplementary campaign.

If you remove yourself from the existing panel and are subsequently placed on the supplementary panel, all candidates on the existing panel will automatically have a higher order of merit than those placed on the supplementary panel created by the new campaign.

How will the selection process be run?

- The purpose of this recruitment and selection process is to fill current and anticipated vacancies as detailed in the job specification for the lifetime of the panel. Being on a panel does not guarantee a job offer.
- To have your application considered, complete the relevant application form in full. Incomplete forms may not be submitted for consideration by the selection board and / or progression to the next stage of the selection process.
- A selection board will assess your application form against the eligibility criteria to match your experience and skills with the post's requirements. Addressing these requirements is crucial.
- The selection process may involve multiple stages, including short-listing or ranking exercises based on the post's requirements as outlined in the eligibility criteria, skills, competencies and knowledge sections of the job specification. Successful applicants will be placed in order of merit, and called for interviews in bands / groups based on the service needs of the organisation.
- We will inform applicants that do not meet the eligibility criteria, or are not shortlisted, of the decision and the reasons.
- Applicants invited to interview will receive more details at that stage.
- Proposed interview dates will be indicated at a later stage. Usually, candidates will receive, at least, two weeks' notice of interview. It may be less, in exceptional circumstances.
- We will place applicants successful at the interview stage on a panel in order of merit.

- If there is an existing panel in place, it may take precedence over the newly formed panel for this campaign. [Appendix 5](#) provides full details on panel management rules.
- Posts are offered to the candidate with the highest order of merit.
- Interviews are an integral part of the selection process.
- The HSE requires all necessary employment references to assess the applicant's past performance and behaviour. The HSE determines the merit and relevance of references. The HSE reserves the right to remove candidates from specific recruitment panels and to retract conditional job offers if satisfactory clearances (e.g. past /current employment references, security clearances) are not available, or are unsatisfactory.
- All previous employers may be contacted for references.
- The HSE reserves the right to retract a conditional job offer should the successful candidate be unable to fulfil the provisions / criteria of the specific post in line with service need.

Reasonable Accommodations Requests for Candidates with Disabilities

Applicants can be provided with access arrangements or other reasonable requirements to allow them to participate in the selection process. If you need any specific arrangements for accessing or participating in the interview, please let us know in advance.

Reasonable accommodation means making practical changes to give candidates with disabilities an equal chance. Some examples of adjustments that we can offer are assistive technology and extra time.

If you tell us you need a reasonable accommodation, we will discuss this with you. Following this discussion we will share the outcome with the interview board members to ensure the provisions are then made available and in place on the day.

A Reasonable Accommodation Interview Flowchart can be found in [Appendix 4](#)

Interview Notes

Expect interview board members to take notes during each interview. These notes are for interview board members to use as an aide memoir to support board discussions. In keeping with process transparency, a candidate can request a copy of the relevant interview notes. Where notes are provided these will be copies of the original handwritten sheets, typed copies are not created and therefore cannot be provided. It is important to remember the sole purpose of any notes produced. A verbatim or complete record of the interview overall should therefore not be expected.

Formation of Panels

What is a Panel?

A panel is a list of candidates who have been successful at interview, ranked in order of merit. The highest-scoring candidate is placed first on the panel, and subsequent vacancies are offered in order of merit. If the first candidate declines the conditional job offer, it is offered to the second candidate, and so on. Panels remain active for at least one year and can be extended.

Marking System

Candidates are given marks for skill / competency areas during the interview. These skill / competency areas are clearly outlined in the Job Specification.

If two candidates receive the same marks a second ranking exercise will be conducted. A predetermined skill / competency area from the interview will be chosen to further rank the successful candidates.

For example: Candidate A and Candidate B both pass the interview and score 421, which would place them jointly at number 3 on the panel. In this example, Professional Knowledge is the secondary ranking area. The candidate who scored highest in this area and expressed interest will receive the conditional job offer first. Candidate A scored 69 in the Professional Knowledge element and Candidate B scored 68. Candidate A will be placed at 3a and Candidate B will be placed at 3b.

If two candidates have the same mark on the secondary ranking, a third ranking exercise will be applied and so forth.

To be considered successful for a panel, you must achieve a minimum score of 40 in each skill/competency area.

Scoring Guide			
Little Evidence of this key skill area presented	Adequate / Satisfactory evidence of this key skill area presented	Good evidence of this key skill area presented	Strong evidence of this key skill area presented
1 – 39	40 - 69	70- 89	90 - 100

The Scoring Guide illustrates the breakdown of Scoring Bands used by the Interview Board to evaluate candidates' performance. Please note that the wording used in your interview marking sheet may vary slightly. For example, if your score falls within 40-69 for a skill/competency area; the comment on the marking sheet may include words like sufficient, adequate, satisfactory, reasonable, or other variations to describe the evidence you provided in response to the question asked.

Future panels

The HSE may contact all available successful candidates if the panels are exhausted. The panel's lifespan may be extended to fill specified purpose and/or permanent vacancies that may arise. Panel management rules can be modified during the panel's lifespan based on service needs, and all remaining candidates will be notified of any changes.

Acceptance / Declination of a Recommendation to Proceed

The email communication sent to you will include the timeframes and panel management rules for each individual post relevant to your order of merit on the panel. Please refer to [Appendix 5](#) for a complete outline of the panel management rules.

Recruitment Process Time Scales

The Job Specification indicates the closing date for completed applications. Proposed interview dates will be indicated at a later stage. Candidates will normally be given at least two weeks' notice. In exceptional circumstances, the timeframe may be reduced.

Security Clearance

When accepting a post, panel members involved in relevant work requiring access to, or contact with, children or vulnerable adults will need to apply for vetting disclosure from the National Vetting Bureau. The HR/Recruitment Team will initiate this process.

All relevant appointments require satisfactory security clearances. If you lived in a country other than the Republic of Ireland or Northern Ireland for six months or more after your 16th birthday, you must provide security clearance for each jurisdiction of residence. The clearance must be dated after your departure from that country and cover the entire period of your stay. Obtaining security clearances from other countries, such as the UK or USA, is the responsibility of the candidate and can be a time-consuming process. Therefore, if you're interested in a career within the HSE, we strongly advise you to start seeking international security clearances now. Please refer to [Appendix 3](#) for more information on international clearances.

Please note if you require overseas security clearance and are unable to produce it at the time of conditional job offer, the offer may be withdrawn.

If you believe there has been a breach of the Code of Practice and that the selection process itself was unfair, you can make a complaint under Section 8 of the Code.

You can submit a request for a review under Section 7 or a complaint under Section 8, but not both.

Appendix: 4 Interview Reasonable Accommodation (RA) Requests Process Flowchart for Candidates

Request Accommodation

The interview invitation letter will include the opportunity for candidates to indicate they require a reasonable accommodation, and to submit supporting evidence, to assist them during the interview process.

Reasonable Accommodation Request Received

The HSE Recruiter will review the request and may ask for relevant documentation or evidence from the candidate. The guiding principle is that the candidate is best placed to advise on their requirements.

The HSE Recruiter may also choose to consult with the Interview Board, if necessary.

Further advice and support for HSE Candidates is available in the [HSE Reasonable Accommodation Guideline](#). Email the HSE DEI Team diversity.HR@hse.ie for further advice.

Consult on Reasonable Accommodation Options

The HSE Recruiter will consult with the candidate on potential accommodation options based on the information they have provided, and the requirements as specified in both the CPSP's recruitment license and code of practice.

Provision of Reasonable Accommodation

The HSE Recruiter and the candidate will work together to discuss a reasonable accommodation that meets the candidate's needs, and is feasible for the HSE. The guiding principle is to provide an equal chance; it should not provide an unreasonable advantage or disadvantage for any candidate.

Implement Reasonable Accommodation

The HSE Recruiter will advise the Chair of the Interview Board on the discussions around providing accommodation for the candidate, and confirm to the candidate the outcome of the accommodation being provided in advance of the interview.

Continue with the Recruitment Process

Job Offer

If the candidate is successful in obtaining a job offer; they will go through the PPHA process. Occupational Health will review the requirements of the candidate and the role to determine if there is any need for any reasonable accommodation(s) to perform the job.

Appendix: 5 Panel Management Rules

In this section, we explain how successful candidates are notified of individual posts and placed on the recruitment panel based on their performance. The email communication sent to you will include the timeframes and rules for panel management specific to each post, considering your position on the panel.

Explanation of Terms used:

- **Expression of Interest:** When you express interest in a job, it means you indicate your desire to be considered if the job is offered to you.
- **Recommendation to Proceed Details:** This means you are the candidate who expressed interest in a post, has the highest position on the panel, and will now move to the next stage of the recruitment process, which involves pre-employment clearances such as employment reference checks, occupational health, and Garda Vetting (if applicable).
- **Order of Merit:** The order of merit is determined by your score achieved at assessment/interview. Candidates are listed based on their scores, with the highest score at position number one, the second-highest score at position number two, and so on.

Expression of Interest Details:

- An invitation for you to express your interest in a post is not a job offer. The invitation provides details about the position, such as location, contract type (tenure), job title, and contact information for the Service Manager. We recommend contacting them for further discussion.
- The invitation to Express Interest email will specify a deadline. We will not accept expressions of interest after the deadline.
- You must respond to the invitation to Express Interest in the specified format.
- The HSE HR/Recruitment Team may invite multiple candidates on the panel to express interest in a post simultaneously.
- After reviewing the Expression of Interest responses post the deadline, the candidate with the highest position on the panel will receive a "Recommendation to Proceed" invitation to move forward in the recruitment process (pre-employment clearances).
- If you respond to an Expression of Interest invitation with "Interested", and are not the highest in the order of merit on the list of candidates who expressed an interest, your position on the panel will remain the same.
- If you respond to an "Expression of Interest" invitation with "Not Interested", your position on the panel will remain the same.
- If you do not respond to an "Expression of Interest" invitation, it will be assumed that you are not interested, and your position on the panel will remain the same.
- If the candidate at the top of the list of candidates who expressed an interest proceeds with pre-employment clearances and later withdraws, the next candidate in order of merit on the list may be considered, or a new invitation to Express Interest can issue, depending on the time elapsed.

Recommendation to Proceed Details:

The "Recommendation to Proceed" invitation allows you to advance to the next stage of the recruitment process called pre-employment clearances. It is not a job offer. The invitation provides details about the role, including location, contract type (tenure), job title, Hiring Manager, etc. You will receive an "alert" text message on your mobile phone notifying you of the "recommendation to proceed."

Before accepting the "Recommendation to Proceed" invitation, it is important to read these advisory notes, as your decision may affect your position on the panel.

If you agree to proceed with a Specified Purpose Post:

- You will no longer be eligible for any further "Expressions of Interests" for Specified Purpose posts. However, you will remain on the panel for "Expressions of Interest" for Permanent Posts.
- If you later decline the Specified Purpose post, during the pre-employment clearance stage, you will still retain your position on the panel for both Specified Purpose and Permanent posts

If you agree to proceed with a Permanent Post:

- You will no longer be eligible for any further expressions of interest and will be removed from the panel.
- If you later decline this permanent post during the pre-employment clearance stage, you will remain removed from the panel.

Please note the following important information:

- "Recommendation to Proceed" responses must be provided in the specified format mentioned in the invitation. "Recommendation to Proceed" invitations have a deadline, and once the deadline passes, no further responses will be accepted. The email will specify the deadline.
- The "Recommendation to Proceed" invitation does not create a contractual obligation, so we strongly advise against giving notice at your current job at this time. HSE Recruitment posts are subject to budgetary approval, satisfactory references, appropriate registration, security, and medical clearances, as required.
- The HSE reserves the right to withdraw a recommendation to proceed if any aspect is unsatisfactory. The HSE assesses and determines the merit, appropriateness, and relevance of references.
- A contract of employment is only valid when received in writing and signed by both the candidate and the HSE.
