	CHI has transitioned to a process of a one commencement day per month for all new employees, CHI internal transfers and Secondments. This update to our Onboarding process is aligned to changes in our monthly/fortnightly payroll and with the launch of our new corporate induction program. This process enhancement ensures that we can thoroughly prepare for your arrival and facilitate a smooth transition in your onboarding journey. So that the Onboarding team can confirm your start date, you will need to ensure that your mandatory training is completed at least 7 days prior to your commencement date. It is important for you to note that if you do not have your pre-employments and mandatory training completed in time, your commencement date will be deferred to the next available date. Below, you'll find the list of commencement dates for 2026: • 11th May • 8th June • 6th July • 10th August • 7th September • 5th October • 2nd November • 7th December
Information on “Non-European Economic Area Applicants” is available from https://dbei.gov.ie/en/ Children’s Health Ireland is legally required to verify that all staff have the right to work in Ireland before they begin employment, regardless of nationality or immigration status. This right-to-work check is also necessary when an individual re-joins CHI or when their immigration permission or employment permit is due to expire. Permit holders can change their permit employer to CHI after a period of nine months has passed since commencing their first employment permit in the State. The change of employer applies to the General Employment Permit (GEP) and to the Critical Skills Employment Permit (CSEP). The change is required to be completed as part of pre-employment clearance. All Permits and Change of Employer applications are processed on the Employment Permits Online. Some recruitment campaigns may be open to candidates who are not citizens of the EEA, Switzerland, or United Kingdom. You can consult the Critical Skills Occupational List see if your profession is currently eligible under this route.	
The programme outlined for Children’s Health Ireland may impact on this role and as structures change the job description may be reviewed. Children’s Health Ireland is an equal opportunities employer.
