

This is an exciting opportunity to support the hospital in its preparations for its future move to the St Vincent's Campus. As the owner of the hospital's digital Strategy, the post holder will own and drive the hospital's digital transformation agenda—turning strategic vision into tangible, hospital-wide operational efficiencies and embedding a forward-thinking digital culture.

APPLICATIONS ARE INVITED FROM SUITABLE CANDIDATES
FOR THE FOLLOWING POSITION:

HEAD OF IT / DIGITAL STRATEGY LEAD, GRADE VIII

This is a Full-Time permanent contract of employment.

At the closing date applicants **must have**:

- A minimum of a third level recognised qualification up to and including degree level in Computer Science, Information Technology or a related discipline i.e. NSQ Level 8 or equivalent.
- At least 5 years experience leading ICT teams or equivalent in a complex, high-stakes environment.

Desirable

- Relevant industry certifications (e.g. MCSA; CCNA/CCNP).
- hold or be willing to complete a Relevant Management course (e.g. supervision training/leadership etc.)
- Knowledge of NIS1 and NIS2 as NMH has been designated as an OES (Operator of Essential Services) by the NCSC.

The NMH is an equal opportunities employer
