Details of Service	The HSE has created six new health regions. Each region is responsible for providing both hospital and community care for the people in that area. Bringing community health services and hospitals together means we can take a more patient-centred approach to healthcare. HSE Dublin North East provides health and social care to North Dublin, Louth, Meath, Monaghan and most areas of Cavan. Community Healthcare Services are delivered through the HSE and its funded agencies to people in local communities, as close as possible to people's homes. Community Healthcare Services focus on keeping you well so that you can continue to live at home or close to home through our health promotion, disease screening, diagnosis, treatment, and rehabilitation programs. You can refer yourself to most Community Healthcare Services or through your GP, public health nurse, community mental health team, etc. Services include - Primary Care, Social Care - Older Persons, Social Care – Disabilities, Mental Health, Health and Wellbeing, Quality, Safety and Service Improvement. HSE Dublin North East Region includes the following hospitals; • Beaumont Hospital • Cavan General Hospital • Connolly Hospital • Louth County Hospital • National Orthopaedic Hospital Cappagh • Monaghan General Hospital • Mater Misericordiae University Hospital • Our Ladys Hospital Navan • Our Lady of Lourdes Hospital • Rotunda Hospital CAMHS services are outpatient services within the Integrated Health Areas of Dublin North County and Dublin North City & West, covering a large geographical area. There are 8 multidisciplinary teams, as well as specialist Eating Disorder, ADHD team and a CAMHS Day Hospital across the area, with clinics based at North Great Georges Street, Ballymun, Swords, Blanchardstown, Malahide Road, Balbriggan and Grangegorman. All teams are multidisciplinary, delivering services and supports to those children, young people and their families as per Sharing the Vision, Slaintecare and the CAMHS Operational Guidelines. The primary role of the service is to address the needs of children and adolescents presenting with moderate to severe mental health difficulties.
Reporting Relationship	Clinical Nurse Manager 3, Assistant Director of Nursing or Designated Officer. Responsible to Area Director of Nursing or Designated Officer in Mental Health
Key Working Relationships	The Clinical Nurse Manager 2 will work collaboratively with a range of internal and external stakeholders including: • Assistant Director of Nursing/Midwifery/Line Manager • CNS, RANP's and other nursing grades • Multidisciplinary Team colleagues and other key stakeholders within services, including National Clinical and Integrated Care Programmes • Service users/families and/or carers • Nursing and Midwifery Board of Ireland • Educational Bodies • Nursing and Midwifery Planning and Development Units • Centres of Nursing and Midwifery Education • Other relevant statutory and non-statutory organisations.
Purpose of the Post	The Clinical Nurse Manager 2 will be responsible for the management, care and treatment of service users, to ensure that the optimum standard of nursing care is provided in compliance with the Nursing Midwifery Board Ireland Regulations and Guidelines, Mental Health Commission Regulations and Health Service Executive national and local policies. The primary role of the CNM 2 will be one of clinical and professional leadership,

	supporting the nursing team, promoting the development of nursing staff by means of in-service training, orientation of new staff arranging for clinical experience and supervision of nurses as required. The CNM 2 will play a pivotal role as part of the multidisciplinary team.
Principal Duties and Responsibilities	*The Clinical Nurse Manager 2 will:* **<u>Professional / Clinical</u>** • Manage patient care to ensure the highest professional standards using an evidence based, care planning approach • Provide a high level of professional and clinical leadership • Be responsible for the co-ordination, assessment, planning, delivery and review of service user care by all staff in designated area(s) • Provide safe, comprehensive nursing care to service users according to the Code of Professional Conduct as laid down by the Bord Altranais agus Cnáimhseachais na hÉireann (Nursing Midwifery Board Ireland) and Professional Clinical Guidelines • Practice nursing according to: o Professional Clinical Guidelines o National and Area Health Service Executive (HSE) guidelines. o Local policies, protocols and guidelines o Current legislation • Manage own caseload in accordance with the needs of the post • Participate in teams / meetings / committees as appropriate, communicating and working in co-operation with other team members • Facilitate co-ordination, co-operation and liaison across healthcare teams and programmes • Collaborate with service users, family, carers and other staff in treatment / care planning and in the provision of support and advice • Communicate verbally and / or in writing results of assessments, treatment / care programmes and recommendations to the team and relevant others in accordance with service policy • Plan discharge or transition of the service user between services as appropriate • Ensure that service users and others are treated with dignity and respect • Maintain nursing records in accordance with local service and professional standards • Adhere to and contribute to the development and maintenance of nursing standards, protocols, and guidelines consistent with the highest standards of patient care • Evaluate and manage the implementation of best practice policy and procedures e.g. admission and discharge procedures, control and usage of stocks and equipment, grievance and disciplinary procedures • Maintain professional standards in relation to confidentiality, ethics and legislation • In consultation with ADON and other disciplines, implement and assess quality management programmes • Participate in clinical audit as required • Initiate and participate in research studies as appropriate • Devise and implement Health Promotion Programmes for service users as relevant to the post • Operate within the scope of practice - seek advice and assistance from their manager with any cases or issues that prove to be beyond the scope of their professional competence in line with principles of best practice and clinical governance. **<u>Health and Safety</u>** • Ensure that effective safety procedures are developed and managed to comply with statutory obligations, in conjunction with relevant staff e.g. health and safety procedures, emergency procedures • Observe, report and take appropriate action on any matter which may be detrimental to staff and/or service user care or wellbeing / may be inhibiting the efficient provision of care • Adequately identifies, assesses, manages and monitors risk within their area of responsibility.

- Assist in observing and ensuring implementation and adherence to established policies and procedures e.g. health and safety, infection control, storage and use of controlled drugs etc.
- Ensure completion of incident / near miss forms / clinical risk reporting
- Adhere to department policies in relation to the care and safety of any equipment supplied for the fulfilment of duty.
- Liaise with other relevant staff e.g. CNS Infection Control.
- Have a working knowledge of the Health Information and Quality Authority (HIQA) Standards as they apply to the role for example, Standards for Healthcare, National Standards for the Prevention and Control of Healthcare Associated Infections, Hygiene Standards etc. and comply with associated HSE protocols for implementing and maintaining these standards as appropriate to the role
- Support, promote and actively participate in sustainable energy, water and waste initiatives to create a more sustainable, low carbon and efficient health service

Education and Training

- Engage in continuing professional development by keeping up to date with nursing literature, recent nursing research and new developments in nursing management, education and practice and to attend staff study days as considered appropriate
- Be familiar with the curriculum training programme for student nurses and be aware of the clinical experience required to meet the needs of the programme
- Participate in the identification, development and delivery of induction, education, training and development programmes for nursing and non-nursing staff
- Provide support and supportive supervision to Staff Nurses and front-line staff where appropriate
- Supervise and assess student nurses and foster a clinical learning environment
- Engage in the HSE performance achievement process in conjunction with your Line Manager and staff as appropriate.

Management

- Exercise authority in the running of the assigned area(s) as deputised by the ADON
- Provide the necessary supervision, co-ordination and deployment of nursing and support staff to ensure the optimum delivery of care in the designated area(s)
- Manage communication at ward and departmental level and facilitate team building
- Provide staff leadership and motivation which is conducive to good working relations and work performance
- Promote a culture that values diversity and respect in the workplace
- Formulate, implement and evaluate service plans and budgets in co-operation with the wider healthcare team
- Manage all resources efficiently and effectively within agreed budget
- Lead on practice development within the clinical area
- Lead and implement change
- Promote, facilitate and participate in the development of nursing policies and procedures. Monitor as appropriate and lead on proactive improvement
- Contribute to the formulation, development and implementation of policies and procedures at area and hospital level
- Ensure compliance with legal requirements, policies and procedures affecting service users, staff and other hospital matters
- Manage and promote liaisons with internal / external bodies as appropriate e.g. intra-hospital service and the community
- Actively participate in the Nursing Management structure by ‘acting up’ when required
- Maintain all necessary clinical and administrative records and reporting arrangements
- Engage in IT developments as they apply to service user and service administration.

The above Job Specification is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to them from time to time and to contribute to the development of the post while in office.

Campaign Specific Selection Process **Ranking/Shortlisting / Interview**	A ranking and or shortlisting exercise may be carried out on the basis of information supplied in your application form. The criteria for ranking and or shortlisting are based on the requirements of the post as outlined in the eligibility criteria and skills, competencies and/or knowledge section of this job specification. Therefore, it is very important that you think about your experience in light of those requirements. Failure to include information regarding these requirements may result in you not progressing to the next stage of the selection process. Those successful at the ranking stage of this process, where applied, will be placed on an order of merit and will be called to interview in 'bands' depending on the service needs of the organisation.
Diversity, Equality and Inclusion	The HSE is an equal opportunities employer. Employees of the HSE bring a range of skills, talents, diverse thinking and experience to the organisation. The HSE believes passionately that employing a diverse workforce is central to its success – we aim to develop the workforce of the HSE so that it reflects the diversity of HSE service users and to strengthen it through accommodating and valuing different perspectives. Ultimately this will result in improved service user and employee experience. The HSE is committed to creating a positive working environment whereby all employees inclusive of age, civil status, disability, ethnicity and race, family status, gender, membership of the Traveller community, religion and sexual orientation are respected, valued and can reach their full potential. The HSE aims to achieve this through development of an organisational culture where injustice, bias and discrimination are not tolerated. The HSE welcomes people with diverse backgrounds and offers a range of supports and resources to staff, such as those who require a reasonable accommodation at work because of a disability or long-term health condition. Read more about the HSE's commitment to Diversity, Equality and Inclusion
Code of Practice	The Health Service Executive will run this campaign in compliance with the Code of Practice prepared by the Commission for Public Service Appointments (CPSA). The CPSA is responsible for establishing the principles to be followed when making an appointment. These are set out in the CPSA Code of Practice. The Code outlines the standards to be adhered to at each stage of the selection process and sets out the review and appeal mechanisms open to candidates should they be unhappy with a selection process. Read the CPSA Code of Practice.
The reform programme outlined for the health services may impact on this role, and as structures change the Job Specification may be reviewed. This Job Specification is a guide to the general range of duties assigned to the post holder. It is intended to be neither definitive nor restrictive and is subject to periodic review with the employee concerned.	

Clinical Nurse Manager 2 CAMHS
Terms and Conditions of Employment

Tenure	The current vacancy available is permanent and whole time The post is pensionable. A panel may be created from which permanent and specified purpose vacancies of full or part time duration may be filled. The tenure of these posts will be indicated at "expression of interest" stage. Appointment as an employee of the Health Service Executive is governed by the Health Act 2004 and the Public Service Management (Recruitment and Appointments) Act 2004 and Public Service Management (Recruitment and Appointments) Amendment Act 2013.
Working Week	The standard weekly working hours of attendance for your grade are **37.5** hours per week. Your normal weekly working hours are **37.5** hours. Contracted hours that are less than the standard weekly working hours for your grade will be paid pro rata to the full time equivalent.
Annual Leave	The annual leave associated with the post will be confirmed at Contracting stage.
Superannuation	This is a pensionable position with the HSE. The successful candidate will upon appointment become a member of the appropriate pension scheme. Pension scheme membership will be notified within the contract of employment. Members of pre-existing pension schemes who transferred to the HSE on the 01st January 2005 pursuant to Section 60 of the Health Act 2004 are entitled to superannuation benefit terms under the HSE Scheme which are no less favourable to those which they were entitled to at 31st December 2004
Age	The Public Service Superannuation (Age of Retirement) Act, 2018* set 70 years as the compulsory retirement age for public servants. ***Public Servants not affected by this legislation:*** Public servants joining the public service or re-joining the public service with a 26 week break in service, between 1 April 2004 and 31 December 2012 (new entrants) have no compulsory retirement age. Public servants, joining the public service or re-joining the public service after a 26 week break, after 1 January 2013 are members of the Single Pension Scheme and have a compulsory retirement age of 70.
Probation	Every appointment of a person who is not already a permanent officer of the Health Service Executive or of a Local Authority shall be subject to a probationary period of 12 months as stipulated in the Department of Health Circular No.10/71.
Protection of Children Guidance and Legislation	The welfare and protection of children is the responsibility of all HSE staff. You must be aware of and understand your specific responsibilities under the Children First Act 2015, the Protections for Persons Reporting Child Abuse Act 1998 in accordance with Section 2, Children First National Guidance and other relevant child safeguarding legislation and policies. All Mandated Persons under the Children First Act 2015, within the HSE, are appointed as Designated Officers under the Protections for Persons Reporting Child Abuse Act, 1998. Mandated Persons such as line managers, doctors, nurses, physiotherapists, occupational therapists, speech and language therapists, social workers, social care workers, and emergency technicians have additional responsibilities. You should check if you are a Mandated Person and be familiar with the related roles and legal responsibilities.

	Visit HSE Children First for further information, guidance and resources.
Infection Control	Have a working knowledge of Health Information and Quality Authority (HIQA) Standards as they apply to the role for example, Standards for Healthcare, National Standards for the Prevention and Control of Healthcare Associated Infections, Hygiene Standards etc. and comply with associated HSE protocols for implementing and maintaining these standards as appropriate to the role.
Health & Safety	It is the responsibility of line managers to ensure that the management of safety, health and welfare is successfully integrated into all activities undertaken within their area of responsibility, so far as is reasonably practicable. Line managers are named and roles and responsibilities detailed in the relevant Site Specific Safety Statement (SSSS). Key responsibilities include: • Developing a SSSS for the department/service[1], as applicable, based on the identification of hazards and the assessment of risks, and reviewing/updating same on a regular basis (at least annually) and in the event of any significant change in the work activity or place of work. • Ensuring that Occupational Safety and Health (OSH) is integrated into day-to-day business, providing Systems Of Work (SOW) that are planned, organised, performed, maintained, and revised as appropriate, and ensuring that all safety related records are maintained and available for inspection. • Consulting and communicating with staff and safety representatives on OSH matters. • Ensuring a training needs assessment (TNA) is undertaken for employees, facilitating their attendance at statutory OSH training, and ensuring records are maintained for each employee. • Ensuring that all incidents occurring within the relevant department/service are appropriately managed and investigated in accordance with HSE procedures[2]. • Seeking advice from health and safety professionals through the National Health and Safety Function Helpdesk as appropriate. • Reviewing the health and safety performance of the ward/department/service and staff through, respectively, local audit and performance achievement meetings for example. **Note**: Detailed roles and responsibilities of Line Managers are outlined in local SSSS.

[1]A template SSSS and guidelines are available on writing your site or service safety statement.
[2] Structures and processes for effective incident management and review of incidents.
